**To: Registrants, Wide Area Information Server (WAIS) Meeting**  
**Subject: WAIS Meeting**

Oak Ridge is bustling with excitement as we continue the 15 month celebration of the city's 50th anniversary. In the spirit of this celebration and in keeping with the Office of Scientific and Technical Information (OSTI) tradition, the upcoming WAIS Meeting should be just as exciting! We look forward to the opportunity to bring together interested parties from various elements of DOE, the DOE contractor community, other Federal agencies and the academic community for a discussion and exchange of ideas relative to WAIS, Z39.50, and other related issues. We are pleased that you have decided to join us for the meeting and look forward to your visit.

Attached is a sheet of detailed meeting information, brochures on the meeting hotel (the Garden Plaza) and local area activities/ attractions of interest, and a map of the Knoxville-Oak Ridge area.

Many other events are taking place in Oak Ridge during the same week as the WAIS Meeting. For that reason, hotel space is limited. A block of rooms has been reserved at the Garden Plaza Hotel under the name "DOE/OSTI Meeting". Please make your reservation as soon as possible, asking for the DOE/OSTI Meeting rate when you call.

Response to the meeting announcement has been excellent. If you have questions concerning any aspect of the meeting, contact Connie Elliott at FTS/Commercial 615-576-1317 (for logistics information), Charlynn Clayton at FTS/Commercial 615-576-2620 or Susan Tackett at FTS/Commercial 615-576-1169 (for general meeting information).
